Dear Ms. Ewing,

I am forwarding this message I received from Terri Rosonke regarding our I-JOBS application. We are requesting the verification document for the FEMA funds to be received by St. Patrick Parish (we have not received any funds so far, but we were told that we qualify for \$40,511). Thank you. Rev. Philip E. Thompson

Reverend Thompson,

One of the I-JOBS application requirements is as follows:

If FEMA or other Federal funding from any source is identified in the I-JOBS Project Budget, written verification must be submitted that the applicant has consulted the appropriate program staff regarding potential duplication of benefits issues and provided notification of the applicant's intent to apply for I-JOBS funding.

This upload appeared on the Project Budget tab. Your I-JOBS application submission identifies the following Federal funding source(s) but provided no corresponding Federal Funding Verification Document:

FEMA

Please submit the required Federal Funding Verification Document for each Federal financing source listed above by fax or email to my attention by no later than 4:00 PM on Thursday, August 13. I am copying the original instructions regarding coordination of FEMA funding that were sent to all applicants below. Please follow these instructions in order to satisfy this application requirement. Thank you!
